

**THE COLLEGE CRUSADE**  
of Rhode Island

# Enroll your child today!

Now in its 31st year, the College Crusade of Rhode Island prepares and inspires young people in Rhode Island to become the first in their families to attend and complete college.

## YEAR-ROUND PROGRAMMING

College Crusade programs and services are offered free of charge to our families. These college-readiness programs are designed for students and parents to prepare for and be successful in higher education.

## SUPPORTIVE ADVISING

College Crusade advisors are a diverse group of young professionals who mentor students and understand the challenges that they face. Advisors support students starting in 6th grade and help them succeed through middle school, high school, and college.

## SCHOLARSHIP SUPPORT

College Crusade helps students who are financially eligible to receive donated scholarships from postsecondary institutions in Rhode Island as well as from other colleges and universities in our Scholarship Collaborative. We also help our students apply for grants to cover or contribute to college expenses.
