Dear Parent /Guardian of 8<sup>th</sup> Graders:

The Rules and Regulations for School Health Programs have changed to the following:

Effective 1 August 2016, all students entering eight (8<sup>th</sup>) grade shall be required to have at least two (2) doses of the HPV vaccine series.

Please have your child see their doctor before the beginning of the next school year 2018-2019 so that this requirement is met.
