# Reassess

Have a meeting with a Community Specialist, a Counselor, an Administrator, parent and student to address and then reassess the situation to see how your student can evolve. Is this program right for you?

- Failing or Bad Grades
- Constant Truancy
- Bad Behavior
- Suspensions on File
- The Need to Change
- Want to Take the Next Step

## Course Focuses:

English/Science  
Math  
Restorative Practices

# Reset

This program is being offered to students with suspension(s) on their record. It is a chance to have the SSO stricken from the permanent record by giving them a safe, small group learning environment to grow and cultivate better habits. A reset!

When?

Monday – Thursday  
after school 2:55–5:30

bus transportation ONLY provided after the program. Please be responsible for the dropping off of your student.

# Rewire

Enter with an open mind! Now is the time to change and evolve! With the help and support of the NGMS Family you will be ready to rewire your mindset!

Responsibilities!

**Student:** stay responsible, keep a positive attitude, complete school work and create new habits

**Parent/Guardian:** provide support and create plans for reliable transportation

**Administration:** create a healthy learning environment to foster healthy educational habits

**Community Specialists:** provide support and mentorship in order to model healthy relationships
