

# Providence's Redesign Schools

## Turning Hope Into Results

During the 2022-23 school year, Hope High School, Juanita Sanchez Educational Complex, Mount Pleasant High School, DelSesto Middle School, and Dr. Jorge Alvarez High School engaged in a rigorous, data-driven process to redesign their academic programs. Through the redesign process, the district is creating new school options that meet student and family interests and prepare students for success in their post-secondary careers.
