

The vision of the Career and Technical Education (CTE) Office is to offer a broad area of CTE programs in high-growth industries such as construction, manufacturing, health care, information technology, hospitality, teacher preparation, arts, and pre-engineering programs at every high school.

How to Apply

1. Visit providenceschools.org/octe and click on 'Application' between January 9th and January 31st.
2. Fill out the online application including two short essays.
3. Provide an online recommendation from a school counselor.

Questions? Email cte@ppsd.org
