

## REGISTRATION CHECKLIST FOR NEW AND RETURNING STUDENTS

Parents of incoming kindergartners: Save time during the registration process by pre-registering your child at [www.providenceschools.org/registration](http://www.providenceschools.org/registration). Video instructions are also available on the web page.

We look forward to welcoming your child to the classroom. Registration involves a few simple steps. Please note that registration requires the student's parent or guardian to visit the Student Registration & Placement Center in person. (The child does not need to be present.)

### Registration Forms

Visit [www.providenceschools.org/registration](http://www.providenceschools.org/registration) to download, print and complete the following registration forms:

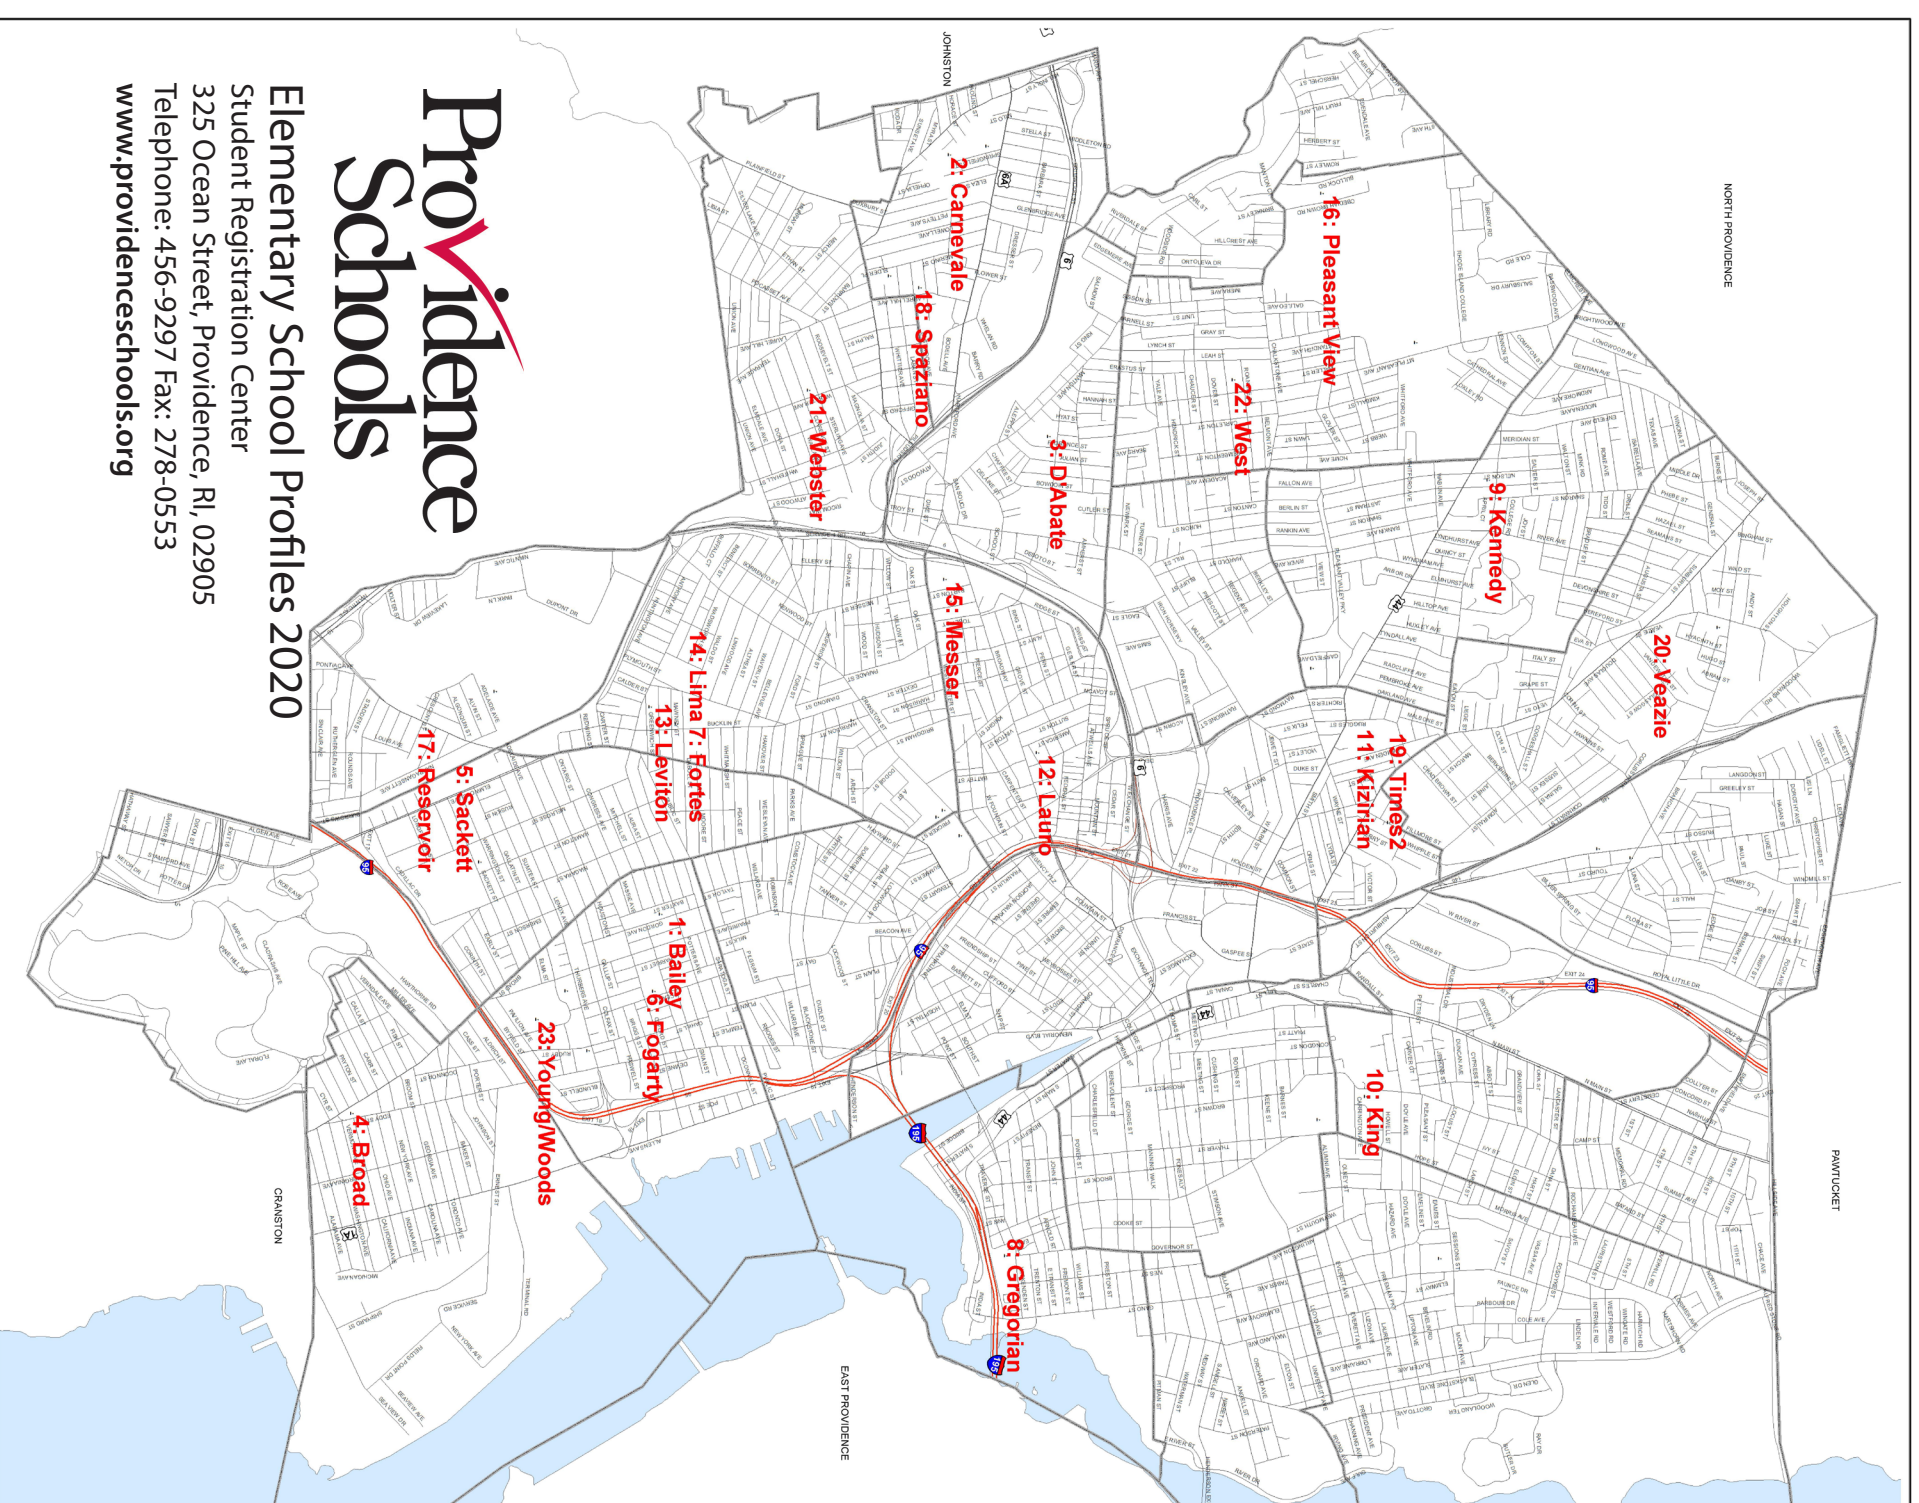

- New Student Information Form
- Health History Form
- Student History Form
- Home Language Survey (The information requested on this form is necessary for the most appropriate placement for your child as required by Rhode Island Law and the Equal Educational Opportunity Act and will not be used for any other purposes).

### Next steps

If registration is complete, and a language assessment is not required, the parent will be asked for school preference. If the home language survey indicates that a language assessment is required, an appointment will be made for the child to meet with the ESL teacher for assessment. After assessment and determination of educational program, the parent/guardian will be asked for school preference for the child.

### Eligibility Age for Enrollment

Every child who is five years of age on or before September 1st of each school year shall be eligible to attend kindergarten. For the 2020-21 school year, a child must have been born on or before September 1, 2015 in order to be eligible for kindergarten. There are no exceptions to this policy.
