We welcome class visits for research, book borrowing, classwork, small group work, blended learning and recreational reading. Please call **x62231** or stop by the library to reserve time for your class! Librarians can assist you with student research and provide co-instruction in the library, in your classroom, or in one of the computer labs.

Color Printer

Students may make color copies of school assignments in the library. However, color copies must be printed from the front desk. Students should save their work on a flash drive and bring the assignment to the front desk for printing.
