Second Grade News

Ms. DePedro / Poem by Richard (photo below)

Animals Everywhere

Animals live everywhere as every person knows

some live in the ground
some live in the sea
some live in the rainforest

some live in the desert
a toucan lives in a rainforest
up high in the trees

groundhogs live in the ground as you can see

it tells you in the name
a gila monster lives in the desert
because of the temperature and its scaly body

a squid lives in the water as you can see
it shoots ink to protect it from an enemy
now these are some animals that you might see

if you visit these places!

Fifth Grade News

All of the Fifth grade classrooms, including the library, now have SMART boards installed in them. This new technology will help to enhance and aid students in their acquisition of new knowledge. Teachers and staff will be receiving training on how to use and apply this new equipment.

PIES FOR EASTER!

PTO-PIE FUNDRAISER

Anthony Carnevale School will welcome spring with an exciting and delicious fundraiser! Families are welcome to participate in the Pie Fundraiser featuring *Grandma's Gourmet Country Pies*. We are also offering *Spring Treats* which consist of various candy treats.

The fundraiser began on February 26, 2013 and will run until March 12, 2013. All orders and money should be turned in to school by March 12, 2013.

We all hope for a successful fundraiser since the money raised will be of great help to all of the Carnevale students.

Physical Education/ Health News

Our most popular Unit is finally beginning! Jump Rope has started and the Anthony Carnevale School Jump Rope Contest is scheduled for Friday April 12th. Grades 2-5 will have small class contests to find one representative. That student will jump in the school wide competition. Jump Rope is an extremely good and affordable exercise for your entire body. Throughout this unit, all Carnevale students are winners in becoming a healthier and stronger person!

Survey Works

Thank You to all of the parents, students, teachers, administrators, and other faculty members for helping the school complete this survey process by taking the survey. We had a good number of responses to the survey and will be looking forward to sharing the results with you!

Music News

Our annual Winter Concert on December 19, 2012 was a huge success! The concert was free and all were welcome to attend. The students did a wonderful job --- a brief reception followed the concert. In addition, the students performed at both an award ceremony for the school on nutrition and for our Black History Month celebration. Pictures will be posted on the school's web page under the teacher section/ music! Our Spring Concert will be held in May 2013 with the date and time to be announced in April.

Black History Month:

Mrs. Brown coordinated the 2nd annual Anthony Carnevale Black History month celebration. Throughout the month of February, each morning a student read over the loud speaker about a famous African-American that has contributed to America. At the end of the month Mrs. Brown organized a wonderful celebration. Mr. Decesare's fifth-graders performed a "Rosa Park Play", Miss Black RI was a guest speaker and Mr. Maher's chorus performed. A BIG thanks to Mrs. Brown and we look forward to next year's program!

Dance Team:

*Come See Your Child Perform in a Dance Show Celebrating **Peace, Love, and Unity!***

Place: Carnevale School Gym

Date: Thursday, March 14, 2013

Time: 1:30 p.m. or 2:00 p.m.

(There will be 2 shows, so you can pick a time that is convenient for you.)

Please have your child wear blue jeans and sneakers. They will be provided with a colorful t-shirt and baseball cap that they can keep after the show.

You will be so proud of what your child has accomplished in such a short period of time!
