Superintendent

Addendum #1

Full Service Medicaid Cost Recovery Services, Individual Educational Plan System, Special Education Management System. - PPSD 308

Issue Date: Tuesday, July 23, 2023

Bids Due: Thursday, August 1, 2024 at 1:00 PM

1. A requirement in the RFP - Develop procedures to identify and verify insurance coverage.

Required to ensure provided services are not concurrently billed to private insurance and Medicaid.

2. Year 1: term – Corrected July 1, 2024 to June 30, 2025

The IEP and Medicaid system to be operational however, exceptions may be applicable depending on training.

3. We were curious if we can submit a bid on our own for a portion of the RFP (i.e. Medicaid documentation and billing) or if we are required to have all components (i.e. IEP, Case Management, etc) to be able to participate. We are able to link up with the vast majority of IEP solutions to pull in necessary data.

PPSD will consider proposals for individual portions of the RFP.
