Addendum #1

RFP Network Cabling

Issue Date: Friday, May 30, 2025

Bids Due: Thursday, June 12, 2025 at 1:00PM

1. How many runs of cable?

Please base your estimate on up to five cables being run to the same location from an MDF or IDF, with punch down to jacks and patch panels on each end. Include jacks but assume a patch panel exists with either punch down or pass through connectors.

2. How long is each cable run?

Price out options a per foot rate for CAT 6 and a per foot rate for CAT 6A cables. No requested job will exceed 300 ft.

3. What about labor?

Price out a per run labor rate (up to five to same location) and a per day labor rate to run multiple lines (more than 1 endpoint location in same geographic/building location) over a typical 6 hour day. Proposals that include travel cost will be rejected.
