### **Supplementary Literacy-Based Curriculum to Support High School Social Studies Reading and Writing Instruction**

**Issue Date: Wednesday, November 2, 2022**

**Bids Due: Thursday, November 17, 2022 at 1:00PM**

1. Could you provide the enrollment number of high school students who would utilize the program?

The numbers below are approximate and subject to change.

<b>9<sup>th</sup></b>	<b>10<sup>th</sup></b>	<b>11<sup>th</sup></b>	<b>12<sup>th</sup></b>
1,951	1,645	1,559	1,553

2. Is the district interested in full-length novels/materials?

We would consider full-length novels/materials.

3. What common reading and writing standards do you require us to align to? State or National Standards, both, other?

Common Core Standards (We align well with Massachusetts common core) but we would also like connections to new RI Social Studies Content Standards (GSE's). These are currently being revised and they are expected to be more culturally responsive in order to meet the needs of districts in RI that are becoming more and more diverse

4. Is the Professional Development requested only for support of the resources we are bidding or is this also for general professional development supplemental resources as well?

Primarily for the resources that you are bidding but I think we would be open to possibilities for general professional development on developing literacy grades 9-12.

5. How are we notified of the win or loss of our submission?

Vendors will be notified via email of the bid results.
