Request for Proposals

RFP: Staff Retention Support

January 2023

Funding (Contingent on Funding): Esser III

I. Background

PPSD employs more than 3200 professionals who work in and provide support to our schools. As with the rest of the country, PPSD has experienced an increase in staff turnover. In order to develop a comprehensive retention plan, we need to understand not only why staff are leaving but what motivates those who stay.

PPSD is requesting a proposal from vendors with expertise in staff retention and/or a platform, tool or process to support the district with our efforts to retain World Class Talent.

II. Required Qualifications

PPSD requires a vendor to meet the qualifications and specifications listed below.

- Proven experience with supporting districts or similar size and demographics with staff retention and engagement. Preferably experienced with working with turnaround districts
- Staff and tools/platforms adept at supporting the district's retention efforts
- Capacity to administer and analyze results from research-based surveys on a bi-annual basis
- Experience with developing survey data-based action plans and implementing cyclical coaching support to the district and individual school leaders.

III. Scope of Work

The vendor will provide a detailed work plan defining the timeline for completion.

The scope of work includes working with district designees to survey staff, identify patterns and trends and offer action planning support to help the district retain staff. The work will also incorporate a plan for analyzing data, developing an action plan and assessing the success of the actions implemented. Ideally the vendor will have experienced staff to provide individualized support to schools based on the data collected.

IV. Timeline for Implementation

The completion of all aspects of the scope of work will be implemented by June 30, 2023 with option years for future service.

V. Limitations

This Request for Proposals (RFP) does not commit the Providence School Department to award any contract or pay for the preparation of any proposal submitted in response to this RFP. The Providence School Department may withdraw

or amend this RFP in its entirety or in part, at any time if it is in the best interests of the organization to do so. This award is contingent upon the receipt of funding.

VI. Proposal Requirements

The proposal must provide examples of previous work as well as references. It must also include a timeline for implementation.

VII. Questions

Questions concerning this solicitation should be emailed to Jennifer.vorro@ppsd.org, questions are due by March 30, 2023 by 3:00pm. Questions will be answered via addendum.

VIII. Evaluation of Proposals

Each vendor proposal will be reviewed and scored against the criteria in the table below. A review committee with at least three members will evaluate the proposals. Each member of the committee will conduct a thorough, independent evaluation of each proposal. The committee will then meet for a discussion after which members will have the option to revise their scores. The technical score will be determined by averaging each member's score in each category.

The maximum number of points scored is 100. The threshold to advance to cost proposal review is 75 points. Proposals scoring below 75 points will be deemed technically unacceptable and will not be considered in the cost proposal review.

The award will then be made to the lowest cost, technically acceptable proposal(s).

All responses will be provided in writing, and incomplete and/or unclear responses may result in a proposal being deemed technically unacceptable. Providence Public Schools reserves the right to make a selection without requesting clarification. Additionally, Providence Public Schools may not necessarily seek clarifications from all vendors submitting proposals.
