Should a contractor fail to perform the services required, the School Department reserves the right to delete specific schools from the contractor’s award and/or release them of their obligation to complete the contract.
- X. Payment: Each contractor will bill the Providence School Department on an invoice consistent with standard practice and listing the amount of snowfall, per storm. Each school serviced will be itemized. The charges for plowing and for sanding shall be listed separately for each school and not lumped together. Each invoice must be submitted with a certified snowfall total from the National Oceanic and Atmospheric Administration National Centers for Environmental Information via <https://www.ncdc.noaa.gov/snow-and-ice/daily-snow/>.

Should hand shoveling be required to clear areas of ingress and/or egress, the contractor shall perform such work as part of the contract price. Blocking areas of ingress and/or egress shall be considered to be an unacceptable job and must be corrected immediately. All crosswalks associated with the perimeter of the school to be free and clean of snow and ice. Also bus “loading zones” to be cleared to the curb, no windrows to be present in these locations.
- Z. Acceptance or rejection of bids: The Providence School Department reserves the right to reject any or all bids or any part thereof, or to select a bidder whose bid was not the lowest as they deem to be in the best interest of the Providence School Department. Any bid which is not according to prescribed form, not properly signed, or otherwise contrary to instructions, may be rejected by the Providence School Department. Any or all bids shall be rejected if there is reason to believe that collusion exists among bidders.
- AA. Heavy Equipment: heavy equipment will be billed for storms that have been deemed a “blizzard” with large accumulation of snow only.

III. Questions regarding this solicitation should be sent to Jaime Audette, Senior Manager of Facilities and Capital Planning via jaime.audette@ppsd.org. Answers will be sent through an addendum of the RFP.
