Greeting Mount Pleasant High School Families,

On behalf of Mount Pleasant High School Faculty and Staff, I am pleased to welcome you to the 2022-2023 school year! We are looking forward to a great school year focused on Culturally Responsive Sustaining Educational strategies throughout the building. As an entire school community we will focus on providing our students with a Welcoming and Affirming Environment, High Expectations throughout the building, Inclusive Instruction and Assessments, Rigorous Instruction, and Ongoing Student Support through restorative practices and social-emotional support. We have worked over the summer break making connections with several community partners that will assist in our efforts to support our students and families of Mount Pleasant. We ask that you guide and support your child's learning by ensuring that he/she:

1. Attends school daily and arrives on time, ready for the day's learning experiences
2. Share school experiences with you so that you are aware of his/her school life.
3. Communicates his/her needs for additional support socially, emotionally, and academically.
4. Knows schoolwide expectations and practices them daily.

Please consider joining our school Parent Teacher Student Organization, School Improvement Team, or Community Advisory Board. We strive to connect with members of the school community to help our students feel valued, accepted, and safe. Our MPHS motto of "Every student Matters and Every Moment Counts", will guide our mission to provide all learners with a meaningful and purposeful education through a wealth of **opportunities** to be connected to and feel secure within their school community. They are engaged in high-level and rigorous programming to be prepared for college and career **success**. We celebrate the diversity of our community by validating and **supporting** students and their interests.

We look forward to meeting you at the start of school 8:50 am-3:25 pm for an exciting fresh start to the school year.

Please feel free to contact me if you have any questions, at the email address and phone number below.

Thank you,

Tiffany Delaney, Principal
