Addendum #1

Telecommunications 2021 (Rebid)

Issue Date: Monday, February 22, 2021

Bids Due: Wednesday, March 3, 2021 at 1:00PM

1. Your RFP says “The bid response is to specify pricing for up to 1200 phones (including DID and POTS lines)” this would lead me to believe you want up to 1200 physical phones each one with its own line and DID. With that said, are you looking for physical equipment such as phones and new phone systems or just service for the existing phone systems?

PPSD will review and possibly consider all RFP responses that completely meet the terms and conditions of the RFP.

2. If you are looking to replace phone systems do you have a preference of hosted (System in the cloud) or premise-based systems?

PPSD will review and possibly consider all RFP responses that completely meet the terms and conditions of the RFP.

3. If we submitted a Bid on the original date will that be carried over or should we re-submit an updated bid on the specified date of March 3rd 2021.

Your bid submitted for the first RFP will not be carried over. You must resubmit an updated bid for the new specified due date.
