

The flu vaccine cannot give you the flu.

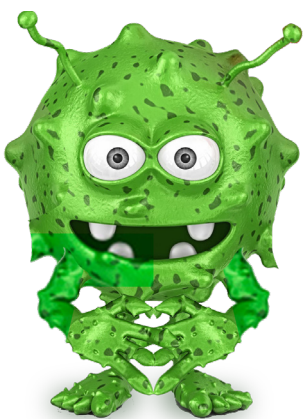

If you have a fever or soreness after the vaccine, it's just a side effect of you producing antibodies – which is exactly what's supposed to happen.

NICOLE ALEXANDER-SCOTT, MD, MPH
DIRECTOR OF HEALTH

The flu vaccine is your best protection against the flu.

And you can get a **free** flu vaccine at dozens of places across Rhode Island, including many schools.

So ask your school if they offer a **free** flu vaccine clinic – some even let you bring your whole family. Remember, you do not have to pay for a flu vaccine.

Visit **schoolflu.com** to find a **free** flu vaccine clinic near you.
