Classical High School, a demanding college preparatory examination school, serves a diverse community and provides its students with the means to achieve high standards in rigorous learning environment. Classical encourages its students to pursue academic, athletic, artistic and personal growth so that they will experience success in colleges and universities, and will demonstrate excellence and leadership within the community.

May 2020

Dear Parents, Guardians and Graduates:

Congratulations! We have made it to a significant checkpoint along the road of our educational journey, and I would like to acknowledge all of this year's graduates in their quest for excellence. We have shared much during these four years, and we want you to know how very proud we are of each and every one of you and your varied accomplishments.

In order to mark this impressive event, we are preparing to launch a virtual graduation ceremony for Tuesday, June 23, 2020, at 6:30 p.m., which will honor each and every one of you. The school district has partnered with Herff Jones who along with Marching Order and Stage Clip will develop a robust, student-focused graduation.

These are unprecedented times. We are all heartbroken that the Class of 2020 couldn't celebrate in the traditional way; it truly is a great class. The virtual ceremony is the safest alternative as of this writing. I have been closely following what other school districts are preparing. However, I agree with our plan as the health, safety and your student's wellbeing are the most important thing to us.

We regret any inconvenience this may cause on your part, but we are working hard to honor all of you, and we ask that you support us in our efforts. Again, congratulations and best of luck to all of you, and may your future endeavors be successful and help better our community.

Sincerely,

Mayo de 2020

Estimados Padres, Guardianes y Graduados:

¡Felicitaciones! Hemos llegado a un importante puesto de control a lo largo de la carretera de nuestro viaje educativo, y me gustaría reconocer a todos los graduados de este año en su búsqueda de la excelencia. Hemos compartido mucho durante estos cuatro años, y queremos que sepan lo orgullosos que estamos de todos y cada uno de ustedes y de sus variados logros.

Con el fin de conmemorar este impresionante evento, nos estamos preparando para lanzar una ceremonia de graduación virtual para el martes 23 de junio de 2020, a las 6:30 p.m., que honrará a todos y cada uno de ustedes. El distrito escolar se ha asociado con Herff Jones, quien junto con Marching Order y Stage Clip desarrollarán una graduación robusta y centrada en el estudiante.

Son tiempos sin precedentes. Todos estamos desconsolados por que la Clase de 2020 no puede celebrar de la manera tradicional; realmente es una gran clase. La ceremonia virtual es la alternativa más segura a partir de este escrito. He estado siguiendo de cerca lo que otros distritos escolares están preparando. Sin embargo, estoy de acuerdo con nuestro plan, ya que la salud, la seguridad y el bienestar de su estudiante son lo más importante para nosotros.

Lamentamos cualquier inconveniente que esto pueda causar de su parte, pero estamos trabajando duro para honrarlos a todos, y le pedimos que nos apoye en nuestros esfuerzos. Una vez más, felicitaciones y la mejor de las suertes a todos ustedes, y que sus esfuerzos futuros sean exitosos y ayuden a mejorar nuestra comunidad.

Atentamente,
