August 2017

Dear Members of the Classical Community,

I hope you are having a restful and enjoyable summer. It is that time of year again when we must begin to think about the opening of school.

This past spring Classical was designated as one of America's Most Challenging High Schools by the Washington Post for the second year in a row. Also, once again Classical was designated a gold medal school and ranked #1 in the State of Rhode Island by U.S. News and World Report. I want to thank the students, parents and teachers for all their great work, effort and commitment in the pursuit of high academic achievement.

We have finalized our Classical High School calendar for the year; please look for this on our website. In order to increase parent/school/community communication, I will be once again using our Parentlink telephone communication system. Please check our website on a continuous basis for updates and information at www.classicalhighschool.org.

Please mark your calendar; our annual Open House will be held on Tuesday, September 19, 2017 from 6:30-8:30pm.

Please enjoy the rest of the summer. We will work tirelessly to provide for you the best high school experience possible. Here is wishing you a peaceful, happy and successful school year.

As always thank you for all your support and cooperation. Welcome back!

Scott D. Barr

A handwritten signature in black ink that reads "Scott D. Barr".
