

**SENIOR BULLETIN #13
COLLEGE REPRESENTATIVES**

Below is a list of the college representatives who will be at Classical from December 4, 2017 to December 8, 2017. If anyone has an interest in a particular college and would like to speak with the representative, it is the student's responsibility to pick up a permission slip from his/her counselor and have it signed by the subject teacher whose class he/she will miss. A teacher may refuse to grant permission because of a scheduled test, etc.

If you have a sincere interest in a particular college, we encourage you to see the representative. However, you will be responsible for any class work or assignments missed as a result of these meetings.

To attend a meeting with a college representative, you may sign your name in the college book located in the Guidance Office.
