Application for Admission P-TECH located at PCTA

Career and Technical Education requires a serious commitment to both academics and industry standards. At P-TECH, students will begin taking college courses through CCRI as early as 10th or 11th grade. Our mission is to prepare all students to receive one of two Associate degrees in Network Infrastructure and Software Development. To achieve this goal, there will be a number of **required summer and extended day components as well as Saturday programs**. Additionally, all students will participate in internships and workplace experiences that insist on high performing attendance and commitment.

Please discuss this application with your guidance counselor and family before making a decision.

Directions: Return the completed application to your Middle School Guidance Counselor. Incomplete applications will not be accepted. Students will be notified of acceptance on February 2018. Be sure to complete the **High School Choice Form** as well as this **P-Tech** application in case you are not selected.
